

Hello to our beautiful Imagine community,

It is with great sadness that I have to inform you that we are temporarily suspending in person classes at the studio, per the mandate issued today by Governor Hogan. We began live streaming our classes this evening, to great success. It was wonderful to still feel connected, even with our social distancing! Here's what you need to know:

1. If you have purchased a session, or have a credit card on file, we will be happy to add you to our [facebook online private group](#) where we are streaming our classes. I chose facebook since it is the easiest format for most people to learn, and because many people are already on it. It is very easy to access the classes, just add [Linda Miller](#) as a friend, or search for Imagine Yoga Online and request inclusion.
2. If you do not have a card on file or a session, but would like to be included, feel free to purchase your classes either through mindbody, on venmo (linda-miller-230) or on [paypal](#), and then sign up on the front page of our website for the specific class you would like to take.
3. If you are not interested in online classes, and have a session, we are happy to suspend your session for the duration of this crisis, please send us an email to request this.
4. We will still be able to do Reiki, Private Yoga & Readings online, feel free to set up [appointments](#) as usual and we will contact you with directions for your appointment.
5. The Dare to Lead group will still be held tomorrow night via Zoom. Once you have paid for your attendance, Nancy will send you a link to attend the class.
6. We will be offering a daily morning meditation live on [our facebook page](#) at 10am. Feel free to join us for some peace of mind!

We are hoping to reopen as soon as possible, but will follow guidelines set by the CDC and WHO. Our hearts and prayers are with all of you, please reach out if you need help. We are waving fees for our online classes to anyone who are not being paid during this crisis, if you own a small business, work in a bar, restaurant or any-place that has been closed, please let us know, provide documentation and we will set you up. We are grateful for those of you who have offered to help us with these scholarships so that our teachers will still be paid!

Thank you for your love and understanding, we are blessed by your loyalty <3

With much love, The Imagine Team
